Our Focus is on You™. Your Wedding will be one of the most remembered days in your life and we know how important it is to you to have those memories captured for generations to come. At Gord Evans Photography, we start at the beginning with your engagement photos and continue on through to your first dance if that is your desire.

Remember Our Focus is on You™

We use up to Two Photographers and/or a Wedding Coordinator to completely capture your Wedding day, depending on your package, to ensure that the different views and
